**ARCHITECTS OF THE WORLDS MOST ADVANCED
SEEDING AND PLANTING TECHNOLOGY**

CLEAN SEED APPOINTS COLIN RUSH, FORMER SENIOR DIRECTOR OF SPECIALTY BUSINESS, NORTH AMERICA FOR CASE IH (CNHI), AS PRESIDENT

MARCH 7, 2022

Prior to joining Clean Seed Colin held senior positions with John Deere, Case IH (CNHi) and JCB Canada. In 2010 Colin assumed the role of Senior Director of Specialty Business, North America with Case IH one of the world's largest agricultural equipment manufacturers with significant planting and seeding equipment in all major marketplaces. During his tenure at CNHi Colin significantly increased North American sales and market share for the Company's nearly \$1B division of planting, seeding, tillage, and application products. Subsequent to his time as Case IH, Colin became the head of Canadian operations for JCB, one of the world's largest manufacturers of construction and agricultural equipment. During his time leading JCB Canada, Colin doubled the number of agricultural dealers to deliver significant sales growth while increasing sales margin. Colin has been a director of Clean Seed since 2014 and Chief Operating Officer since 2017 and will continue in both of those roles.
