Rocky is one of Canada’s largest agriculture and construction equipment dealership networks with branches located throughout Alberta, Saskatchewan, and Manitoba. Over a three year renewable period starting in 2016, Rocky will manage exclusive sales areas with agreed-upon sales commitments for the Company’s CX-6 SMART Seeder.

Rocky’s initial CX-6 order commitments for 2016 delivery are for key locations in Alberta, Saskatchewan, and Manitoba, in preparation for initial sales of 2016 product, as well as spring 2016 demonstrations by RME, with a commitment for all 33 RME agricultural retail locations in Western Canada to sell and demonstrate the CX-6 SMART Seeder starting in 2017 and beyond.
