NEWS RELEASE

Steve Larocque, B.Sc., CCA, Joins Clean Seed Capital (TSXV: CSX) Board of Directors

Vancouver, B.C., June 4, 2015 - **Clean Seed Capital Group Ltd.** (the "Company") or "CSC" (TSXV: CSX) is pleased to announce that Steve Larocque, B.Sc., CCA, has joined its Board of Directors.

Larocque is an independent crop consultant based out of Three Hills, Alberta, and has been advising farmers for over 15 years. As owner of Beyond Agronomy, he consults on over 55,000 acres of cropland and works with farmers across Canada and internationally.

"It is an honour to be invited to Clean Seed's Board of Directors," said Larocque. "I'm excited to join such a tenacious, driven and passionate group of professionals."

Larocque is a first generation grain farmer and runs a no-till, controlled traffic farming and inter-row seeding system.

"I truly believe the technologies Clean Seed is bringing to market will revolutionize the way we apply inputs and benefit farmers all over the world. The CX-6 is a leap forward and will pave the way for more innovations in the future. The industry needs a shake up and I believe the Clean Seed team is doing just that", added Larocque.

Larocque publishes *The Spark*, a weekly newsletter that focuses on innovations in arable agriculture, and is also a Canadian Nuffield Scholar as well as a frequent international speaker.

"We pride ourselves on working with progressive out of the box thinkers that are aligned with our corporate values and vision. Steve is a value add director that brings a solid track record and respected reputation. We are pleased to welcome Steve to the Board," stated Graeme Lempriere, CEO, Clean Seed Capital Group Ltd.

About Clean Seed Capital Group Ltd.

Clean Seed Capital Group Ltd is at the forefront of an agricultural shift to unparalleled high definition seeding technologies.

Clean Seed has developed an advanced precision no-till seeding system comprising several individually patented technologies, including in-ground openers, proprietary seed and fertilizer metering, and electronic control systems. Our most recent ground breaking achievement is also our most advanced and innovative to date: The award winning CX-6 SMART Seeder is an industry first!

The groundbreaking CX-6 SMART Seeder creates a new niche within the large-scale farm markets. The common shares of Clean Seed are listed on the Toronto Venture Stock Exchange and trade under the symbol "CSX".

For further information please contact Clean Seed Capital at 604-566-9895 or The Howard Group at 1-888-221-0915 and visit our website at <http://www.cleaneedcapital.com>.

ON BEHALF OF THE BOARD

Graeme Lempriere
President, CEO

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING INFORMATION:

This news release includes certain "forward-looking statements" as defined under applicable Canadian securities legislation. Forward-looking statements herein include, but are not limited to, statements with respect to the future manufacture and sale of equipment. Forward-looking statements are necessarily based upon a number of estimates and assumptions that, while considered reasonable, are subject to known and unknown risks, uncertainties, and other factors which may cause the actual results and future events to differ materially from those expressed or implied by such forward-looking statements. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, there is no assurance the manufacturing and sales targets outlined herein will be met; and readers should not place undue reliance on forward-looking statements. Clean Seed disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law.
