

Clean Seed takes Occupancy of New Facilities in Saskatoon

December 16, 2021 - Vancouver, British Columbia - Clean Seed Capital Group Ltd. (“**Clean Seed**”) (TSX-V: CSX and OTCQB: CLGPF) is pleased to announce it took occupancy of its custom-built new facilities in Saskatoon, Saskatchewan. Earlier in the year the Company announced that it had entered into a lease agreement for a pair of new build facilities and the related surrounding grounds. This new home centrally located in Western Canada is the cornerstone of our operations for the early commercialization plans of the SMART Seeder MAX product line including assembly of the SMART Seeder technology suite, related electronics systems, sales and customer experience infrastructure and dealer support.

Clean Seed Agricultural Technologies: 4010 Burrton Avenue, Saskatoon, SK, Canada.

We would like to thank Anderson Contracting for the timely completion of both buildings and look forward to working with them again on other related opportunities as the company expands in the future.

ON BEHALF OF THE BOARD

“Graeme Lempriere”

Chairman and CEO

About Clean Seed Capital Group Ltd.

The common shares of Clean Seed Capital Group Ltd. are listed on the TSX Venture Exchange and trade under the symbol "CSX" and are traded on the OTCQB Venture market under the symbol "CLGPF".

We are a team of innovators and business management professionals with a proven track record of game changing innovation and production of patented agricultural technologies at an incredibly high level. We pride ourselves as progress facilitators that turn solutions for modern agricultural problem into commercially viable products to fulfill new demand.

Clean Seed’s SMART Seeder™ technologies are revolutionary seeding tools that utilize the unique synergy of sophisticated electronic metering and intuitive software control putting row-by-row variable rate technology at the forefront of agricultural innovation. Our innovations create a new class of highly accurate seeding equipment designed specifically for today’s farmer.
